ABOUT SBAYA DISTRIBUTIONS

South Africa's premier distributor of industrial machinery, equipment & leather

Welcome to Sbaya Distributions

Sbaya Distributions is South Africa's premier distributor of industrial machinery, commercial equipment, professional sewing machines and premium leather products. As a proud subsidiary of Sbaya Mobile, we are committed to empowering South African entrepreneurs and established businesses with world-class products at competitive prices.

Our Product Range

Our catalogue spans four key categories: **Business Machines** for entrepreneurs and manufacturers, **Agricultural Equipment** for farming and food processing, **Professional Sewing Machines** (Juki industrial series) for garment and leather goods production, and **Premium Leather** — including South African Nguni hides, bovine hair-on hides, gameskins and vegetable-tanned leathers.

Why Choose Us?

Genuine Products: All machinery and equipment is sourced from reputable manufacturers.

South African Focus: We understand the local market and support local business growth.

Wide Range: From industrial brick machines to premium springbok leather — one supplier.

Distributor Programme: Become a distributor and earn from our growing product range.

Support: Technical guidance and after-sales assistance available.
